Kære Lergrav  
Hermed et forsøg med en BESKEDBOKS på hjemmesiden. Her kan I skrive (næsten), hvad I har lyst til. Beskeder til hinanden, til klubben, køb-salg mm. Vær dog opmærksom på, at alle udenfor Lergraven også kan læse med!  
Man skal være logget ind - dvs. oprette sig som bruger - for at

+ Google Kalender

Og følgende kommer frem – tryk på **Signup**

Der kommer denne skabelon frem indtast som skrevet (kun i de røde felter)  
Slut af med at taste bogstaver/tal som der er i boksen nederst  
Og tryk derefter på register

User registration form	
<b>Username:</b> The username must consist of 3-30 characters.	<b>Skriv det navn du ønsker at bruge - min. 3 og max. 30 bogstaver/tal</b>
<b>Password:</b> The password must consist of 4-30 characters.	<b>Skriv det password du ønsker at bruge - min. 4 og max. 30 bogstaver/tal</b>
<b>Retype password:</b> Retype the password.	<b>Gentag dit password</b>
<b>E-mail address:</b> Type your valid e-mail address here.	<b>indtast din e-mail adresse</b>
<b>Website:</b> If you own a website, you can list it here.	
<b>Properties:</b> Select any additional properties for your name here. Tick the box for the properties you like to add, and where possible you can select a colour. The glow property does not work in Internet Explorer.  <b>Note:</b> This only works if you removed the checkmark from the 'old property' box in the section below!	<input type="checkbox"/> <b>Marker:</b> #FFFF00 Example text <input type="checkbox"/> <b>Glow:</b> Example text <input type="checkbox"/> <b>Text colour:</b> #333333 Example text  Italic: <input type="checkbox"/> Underline: <input type="checkbox"/> Click to <a href="#">reset to default colours</a> .
<b>Old property system:</b> This is the old property system, and is here for backward compatibility.	<input type="checkbox"/> Select this to use the old property style system.  Colour: <b>None</b> Style: <b>None</b>
<b>Timezone settings:</b> If you would like to set your own timezone, tick the override box, and then select your timezone from the list.	Override the Shoutbox timezone with your own? <input type="checkbox"/>  If you set the option above, you can select your timezone below (If you change your timezone settings, you will need to login again for the change to take effect):  DENMARK - Copenhagen (15:50pm GMT+2 (CEST))
<b>Notification settings:</b> Select here if you would like to enable notifications. Notification only happens when you are logged in. Refresh the shoutbox for changes to take effect.	Sound notifications: Every time a new shout is posted, a short sound will be played.  Enable sound notification: <input type="checkbox"/>  Desktop notifications: Every time a new shout is posted, a visible notification is shown on your desktop for approximately 5 seconds. This will show how many new shouts there are and who posted the shouts. Desktop notifications are only shown if the shoutbox is hidden (e.g. if it is not your current visible tab or window).  Enable desktop notification: <input type="checkbox"/>
<b>Shoutbox language and text direction:</b> Tick the box if you want to "override" box if you want to override the shoutbox language with any of the languages in the dropdown menu. You can also select the direction of the text.	Override the shoutbox language with your own language and text direction? <input type="checkbox"/>  Select the language: English  Select the text direction (ltr/rtl): links naar rechts
<b>Shoutbox Tooltips:</b>	This is enabled by default. Untick the box if you want to disable the jquery tooltips on the shoutbox. <input checked="" type="checkbox"/>
<b>Captcha Verification:</b> Type the verification characters into the input box (case insensitive).	<b>skriv de tal bogstaver du ser i boksen til venstre i den tomme firkant</b> x2359R her er det : X23S9R
<b>tryk på Register og du er klar :-)</b> <b>Register</b>	

Du vil i løbet af kort tid modtage en e-mail hvor du skal bekræfte, at det er dig der har oprettet dig.

Når du har bekræftet mailen er du klar til at logge dig ind.

For at logge ind skal du nu indtaste dit nye brugernavn samt password ☺

The image shows a login interface for 'Lergravens beskedbox'. On the left, there is a photo of four people on a boat with a yellow callout bubble that says 'Se brugervejledning til oprettelse!'. The main login area has a blue header 'Lergravens beskedbox' and a 'Login [Close]' button. Below are input fields for 'Username' and 'Password', a 'Stay logged in' checkbox, and a blue 'Login' button. A red circle highlights the 'Username' and 'Password' fields. Further down, there are options for 'Login through Facebook', 'Other options', and buttons for 'Forgot Password?', 'Signup', and 'Archive'. At the bottom left, there is a 'Google Kalender' widget.

Du kan nu skrive beskeder ☺

Mvh.
